		<u>Notes</u>	ate
		 The contractor is responsible for obtaining and complying with all permits and easements. This includes all federal, state and local permits. 	
		The contractor is responsible for checking and complying with all local ordinances that may affect the project.	
		3. MISS UTILITY (1-800-257-7777 or 1-800-552-7001) must be contacted at least 3 working days before construction begins. The contractor must be able to provide the MISS UTILITY ticket number within 24 hours upon request by the NRCS COTR (Contracting Officers Technical Representative).	pa pa
		4. The contractor is responsible for locating any buried utilities (water lines, electric lines, telephone lines, gas lines, sewer lines, septic tanks etc.) in the work area that are not covered by the MISS UTILITY program.	Design Check
		5. Prior to beginning construction, the cover sheet must be signed by the NRCS COTR, contractor and the project sponsor. The contractor is responsible to inform the project superintendent of their responsibilities by providing them a copy of the cover sheet. The project sponsor and contractor must sign the cover sheet acknowledging that they understand their responsibilities and must return the signed cover sheet to the NRCS COTR. The NRCS COTR shall arrange for a meeting between the contractor and NRCS to review the construction drawings and specifications prior to construction.	et DSR # Virginia
		NRCS makes no representation of the existence or nonexistence of utilities. The presence or absence of utilities on the construction drawings does not assure that there are or are not utilities in the work area.	Sheet , vir
		The contractor is responsible for knowing and following the appropriate safety standards required by the Virginia Safety and Health Codes Board.	ver
		8. The contractor shall notify the NRCS COTR at least one week prior to start of construction, and at the times specified in this construction plan and attached specifications. NRCS COTR's telephone number is	t Co
